

**Joint integrated system for early warning of floods**  
**Bela Palanka, Republic of Serbia**

PD-02-29-82/16.05.2019/PUC Tender 03

**MINUTES FROM THE SITE VISIT  
AND CLARIFICATION MEETING**

Recorded on 09.01.2020. at 12h in Public Utility Company "Komnis" Bela Palanka, Srpskih Vladara 51, 18310 Bela Palanka, Republic of Serbia, on the occasion of the clarification meeting and site visit related to the implementation of „Joint integrated system for early warning of floods“ procurement for project "Setting up of a System for Prevention and Early Warning of Floods:" CODE: CB007.2.31.178.

Present at the meeting:

On behalf of the Contracting Authority: Miroslav Marinković and Miljan Tričković

From the side of the companies present at the clarification meeting and site visit, the following persons were present:

1. PROINTER ITSS d.o.o Vuka Karadžića 2, 17800 Banja Luka, Bosnia and Herzegovina

The clarification session started at 12:00 h.

From the side of the Contracting Authority, Public Utility Company "Komnis" Bela Palanka, Miroslav Marinković has opened the informative session of the meeting by greeting all participants and explaining that this project is funded from the European Union, through INTERREG IPA Cross-border Cooperation Bulgaria - Serbia Programme. He added that the whole process will be carried out in line with the EU tender procedures.

Representatives of the Contracting Authority and potential tenderers visited the site for the installation of sensors. On this occasion, they became acquainted with existing facilities and equipment that needs to be delivered and what will its purpose be to the Contracting Authority, as well as with the locations where the potential risk of floods is identified.

Miroslav Marinković and Miljan Tričković thanked the attendees for coming and elaborated on the content and presentation of the Tender, making reference to the published instruction to tenderers. Reference was made to the foreseen timetable, main documents to be delivered in the bidding phase as well as the main selection criteria, validity of the offers, opening of the tender procedures etc.

It was explained that the communication for this tender and the documentation will have to be English.

Technical documentation is available to all present representatives.
